Barb’s Notes and Quotes...

Dear Southwest Region Friends:

Spring fever is all over the place! I hope you are coping well with it.

Calibration meetings are this week and I start County Educator performance review visits on Wednesday in Greene County.

Congratulations to all the special state 4-H winners announced last Saturday at the Ohio 4-H Conference. Thanks to all the Educators from the Southwest Region who gave great presentations!

Take time to enjoy all the spring things happening at this special time of year!

Live inspired!

Sincerely,
Barb

Easy Ways for Teams to Celebrate
At the completion of a project, celebrate with an “unveiling” ceremony. Recognize everyone who played a part, including those who worked behind the scene.

Coming in the Future to OSU . . .
• Workday - In a major step to enhance operational excellence, OSU will be moving to a cloud-based financial management system. https://ocio.osu.edu/blog/community/2016/03/03/workday-coming-soon (Source: Ric Hunter)
• Canvas (Learning Management System) - Carmen is not going away. The LMS that ‘powers’ Carmen will be changing, but you will still go to carmen.osu.edu to log into your courses. https://resourcecenter.odee.osu.edu/adoptcanvas (Source: Interim Provost Bruce McPherson & CIO Michael Hofherr)
Good afternoon –

I want to share with you our billboards (proofs attached) that have just gone up – 5 different ones across Auglaize County! It cost us a little extra but we were able to feature local 4-H’ers (yes we have photo releases). These were funded through one of our endowments and we were lucky enough to get some very prominent locations across the county. Credit goes to Lori Now, my PA, for the initial designs and working with the designer at Lamar to get the final look.
